Ludwigsburg District Office and municipality of Freudental</p>	<p>Cooperations in the heating transition – focus on private actors</p> <ul style="list-style-type: none"> Excursion: The large Wennberg bookbindery is reducing its energy requirements by installing a compressed air CHP unit and using industrial waste heat to supply a local CO2-neutral heating network <p>Where? H. Wennberg Bookbindery, municipality of Vaihingen an der Enz</p>
<p>(C) Brace for impact – resilient to extreme weather events</p> <p>Jasper Pommerin (Disaster Control)</p>	<p>Resilience – focus on extreme weather events</p> <ul style="list-style-type: none"> Keynote speech on new challenges for disaster control Experience reports from the City of Ludwigsburg on climate analysis and protecting the population from heat events as well as from the municipality of Bietigheim-Bissingen on dealing with heavy rainfall events <p>Where? Ludwigsburg District Office</p>	<p>Resilience – focus on forestry</p> <ul style="list-style-type: none"> Excursion: Vegetation fires as a challenge for fire protection Excursion: Report by the Department of Forestry on the effects of climate change on the forest ecosystem and possible countermeasures <p>Where? Voluntary Fire Department, municipality of Vaihingen an der Enz and woodland near Vaihingen an der Enz</p>
<p>(D) Facing change – in agriculture and viticulture</p> <p>Annegret Bezler (Project Bio-Musterregion) Alicia Läßle (Biodiversity Advice) Steffi Kahleyß (Steep Slope Management)</p>	<p>Climate change adaption – focus on viticulture</p> <ul style="list-style-type: none"> Keynote speech on the effects of climate change in vineyards: Opportunities for new grape varieties, experiences from the project "Steep Wines" Keynote speech on the topic of preserving diversity - the importance of biodiversity in agriculture <p>Where? Felsengartenkellerei Besigheim (winery), municipality of Hessigheim</p>	<p>Climate change adaption – focus on agriculture</p> <ul style="list-style-type: none"> Excursion: Consideration of the challenges for agriculture caused by climate change, presentation of adaptation strategies and opportunities for future land management, e.g. organic farming <p>Where? Demeter farm Bay family, municipality of Erdmannhausen</p>

Closing day | Friday, 8 March 2024

Moderated by **Janine Steeger** (Green Janine)
Graphic Recording **Kathrin Werner**

9:00 a.m. Admission, arrival of participants

9:30 a.m. Opening 3rd day of Climate Forum

Dietmar Allgaier, President, District of Ludwigsburg

Interview on the results of the Climate Forum so far

9:50 a.m. From knowledge to action – the “Klimaköpfe” project

Keynote: Prof. Dr. Maike Sippel, Professor for Sustainable Economy, HTWG Konstanz

The “Klimaköpfe” project tells stories of getting into action. The focus is on people "like you and me" who have simply started doing something. Changes for a sustainable future are already taking place among us, on a large and small scale.

10:20 a.m. Tackling transformation on site – focus on the District of Ludwigsburg

The key role of municipalities

Dr. Sabine Hafner, Board Member KlimaKom

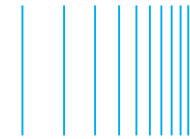

What does this mean for the District of Ludwigsburg? How do we approach?

Interview with:

- Anselm Laube, Managing Director Ludwigsburg Energy Agency (LEA)
- Julia Neuhäuser, Head of Climate Protection Department District of Ludwigsburg

11:00 a.m. Coffee break

Closing day | Friday, 8 March 2024

Moderated by **Janine Steeger** (Green Janine)
Graphic Recording **Kathrin Werner**

11:20 a.m. Local responses to a global crisis – impulses from voluntary work, education and administration

How can volunteers and administration work together?

“KlikKS: Climate Protection in Small Communities and City Districts” project, Friedericke Knauss, Ludwigsburg Energy Agency (LEA)

How can schools contribute?

Stefan Ranzinger, Principal Vocational School Center Bietigheim-Bissingen

How can citizens be motivated to support the energy transition?

Werner Berner, ambassador for “solar parties”

How do we bring all stakeholders together?

Stecker-SolÆR and City of Erlangen for Climate Hub

12:00 p.m. Young ideas for future administration

Impulses from the “Kommunale Klimascouts” project and awarding of the District-Prize 2023/2024

12:20 p.m. Conclusion, outlook

Dietmar Allgaier, President, District of Ludwigsburg

12:30 p.m. Rounding off with networking, lunch, participation kick-off for updating the district-wide climate protection concept and market of opportunities

2:00 p.m. End of Climate Forum “Partnerships for Climate Action”
